

Dear Friends at the Florida Highway Patrol,

The entire Whittle family wishes to express our sincere appreciation for the extraordinary support provided by the Florida Highway Patrol during Quentin's visitation, memorial, and graveside services. We were highly impressed by the outstanding professionalism and sharp appearance exhibited by the Honor Guards, mobile escorts and Honorary Pallbearers. The extensive participation by so many Florida State Troopers would have pleased Quentin very much.

Quentin was extremely proud of his 25 years of service with the Florida Highway Patrol. His service to the citizens of Taylor County and the State of Florida was perfectly honored, and his many friendships within law enforcement beautifully remembered by the Florida Highway Patrol's extensive efforts.

Thanks again to all members of the Florida Highway Patrol for the prayers, love and support during Quentin's last years. We shall never forget you.

On behalf of the entire Whittle family;

Sincerely,

Thais Whittle
